THE HOME

Hòfi Azaléa A-02 - Spacious newly built apartment with 2 bedrooms at Hòfi Azaléa

Hòfi Azaléa, a new development by Roosdom Tijhuis Bonaire, where natural beauty and luxury come together. Hòfi Azaléa is located in the quiet, safe neighborhood of Hato, just a 5-minute drive from the center of Kralendijk and very suitable for vacation rentals. Within walking distance you will find the publicly accessible Isidel Beach Park, offering direct access to the sea, a restaurant, and a playground.

The apartments will be built in phases using high-quality local and European materials suited to the Caribbean climate. Designed by EVE architects, the apartments focus on comfort and luxury.

Building A, apartment 2 is a spacious apartment with a kitchen and livingroom, both with direct acces to the balcony, 2 bedrooms, 2.5 bathrooms and a storage room on the ground floor. The bedrooms are standard equipped with airconditioning, this can be added as a extra option in the living and kitchen.

The home at a glance

Neighbourhood	Hato
Address	Hòfi Azaléa A-02
Land	Leasehold
Bedrooms	2
Bathrooms	2.5
Total living area	109 m²
Year built	2026
Maintenance status	Nieuwbouw

The apartment is **perfect as a vacation home** or as an investment. Due to it's recreational zoning, you can occupy the apartment yourself for up to 3 months per year and rent it out short-term during the remaining period.

Hòfi Azaléa is a new development consisting of 56 apartments across 4 buildings.
Building A and B share a resort style swimming pool and a tropical landscaped garden. The project also includes a shared parrking area, a 6-person elevator per building and solar panels for improved energy efficiency. The apartment will be delivered including a modern kitchen, stylish bathrooms, technical installations, including hot water supply and WEB certification (water/electricity). Floors and walls will be finished, and the interior walls will be smoothly plastered and painted, allowing you to move in immediately.

GOOD TO KNOW

The practical details

Layout

The apartment includes a kitchen and living room, with both spaces opening directly onto the balcony. A storage room is located on the ground floor.

From the living areas, the layout continues to two bedrooms and 2.5 bathrooms. The bedrooms are equipped with air conditioning, while air conditioning can be added to the living room and kitchen as an extra option.

Outside, the apartment has its own balcony. Building A and Building B share a swimming pool and a tropical landscaped garden.

Technical specifications

- Construction method: solid prefab aerated concrete structure, suited to the Caribbean climate.
- Roofing: pitched roofs with metalroof-tile sheets and flat roofs with high-quality roofing.
- Floors: concrete ground floor.
- Facades: sleekly finished with carefully slected materials, matching the stule of Hòfi Azaléa.
- Frames and doors: aluminum profiles, powder-coated in grey tones, fitted with sun-reflective glass and insect screens on tilt-and-turn windows.
- Every building wil be equipped with a 6-person elevator.
- The building permit for this project has now been granted and the construction scheduled to begin in the second quarter of 2026.
- Download the technical specifications here: Technical Specifications *(only available in Dutch)*

Disclaimer:

1. *This project is still under development. The information and images (including the site plan) are indicative and no rights can be derived from them.*
2. *The living area measurement is based on the net indoor space plus covered outdoor areas, such as, where applicable, a veranda, covered terrace, or external storage room. Not included are a wooden iroko carport and/or an uncovered sun terrace around the pool.*
