Description

Hòfi Azaléa, a new development by Roosdom Tijhuis Bonaire, where natural beauty and luxury come together. Hòfi Azaléa is located in the quiet, safe neighborhood of Hato, just a 5-minute drive from the center of Kralendijk and very suitable for vacation rentals. Within walking distance you will find the publicly accessible Isidel Beach Park, offering direct access to the sea, a restaurant, and a playground.

The apartments will be built in phases using high-quality local and European materials suited to the Caribbean climate. Designed by EVE architects, the apartments focus on comfort and luxury.

Building A, apartment 6 is a spacious apartment with a kitchen and livingroom, both with direct acces to the balcony, 2 bedrooms, 2.5 bathrooms and a separate storage room on the ground floor. The bedrooms are standard equipped with airconditioning, this can be added as a extra option in the living and kitchen.

The apartment is **perfect as a vacation home** or as an investment. Due to it's recreational zoning, you can occupy the apartment yourself for up to 3 months per year and rent it out short-term during the remaining period.

Hòfi Azaléa is a new development consisting of 56 apartments across 4 buildings.
Building A and B share a resort style swimming pool and a tropical landscaped garden. The project also includes a shared parrking area, a 6-person elevator per building and solar panels for improved energy efficiency. The apartment will be delivered including a modern kitchen, stylish bathrooms, technical installations, including hot water supply and WEB certification (water/electricity). Floors and walls will be finished, and the interior walls will be smoothly plastered and painted, allowing you to move in immediately.

Layout

The apartment has a kitchen and living room, with both spaces opening directly onto the balcony. Air conditioning is standard in the two bedrooms, while air conditioning in the living room and kitchen is available as an extra option.

The apartment includes two bedrooms and 2.5 bathrooms. A separate storage room is located on the ground floor.

Outside, the living room and kitchen connect to the balcony. Building A and Building B share a resort-style swimming pool and a tropical landscaped garden.
