Description

Do you dream of building your own home on Bonaire? This beautiful building lot of 974 m², located in the popular and family-friendly residential area of Santa Barbara, offers plenty of opportunities to realize your ideal island home. The lot is situated on the quiet street Kaya Heru, in an area with modern homes and a pleasant living environment. At the front of the lot, a wall has already been built, providing additional privacy and a solid foundation for the further development of the property. Thanks to its favorable location, you can enjoy peace, space, and refreshing trade winds, while shops, restaurants and schools are all within short distance.

With nearly 1,000 m² of private land, there is ample space for a spacious home with a swimming pool, tropical garden, and multiple terraces. The Santa Barbara neighborhood is known for its central location and good accessibility, making this property attractive for both permanent residence or a investment.

- spacious building lot of 974 m² in the popular and family-friendly residential area of Santa Barbara,
- peaceful and centrally located on the island, within easy reach of shops, supermarkets and restaurants,
- endless building possibilities,
- only 10 minutes to the center of Kralenijk,
- no building obligations,
- only a few building restrictions (download summary here: [Santa Barbara.pdf](#)).

Layout

This 974 m² building lot is located on the quiet street Kaya Heru in Santa Barbara. At the front of the lot, a wall has already been built, providing additional privacy and a foundation for further development.

The lot offers space for a future home, swimming pool, tropical garden, and multiple terraces. A WEB connection for water and electricity is available on the street side. No existing rooms or bathrooms are described, as the property is offered as a building lot.

Technical specifications

WEB (water and electricity) connection on the street side.
