The homes are being built in phases, using high-quality local and European materials, carefully selected for the Caribbean climate. Each residence has been passionately and proudly designed by EVE architects.

Home 26 is a spacious semi-detached villa offering generous living space. With no less than four bedrooms, this home is ideal for families, remote workers, or those who love hosting relatives and friends. Three bedrooms come standard with air conditioning, with the option to extend this to the fourth bedroom and the living room for maximum comfort.

The home is delivered complete with a modern kitchen, stylish bathrooms, technical installations including hot water supply, WEB certification (water/electricity), and fully finished floors and walls. Inside, the walls are smoothly plastered and painted, so you can move in right away.

The garden is leveled and fully fenced, leaving plenty of room for you to shape the landscaping to your own taste and style. Optionally, a complete furnishing package is available through Wire Interiors Bonaire for a full turnkey experience. Curious about this package? Have a first look at the online mood board.

The practical details

Layout

This semi-detached villa has a living room and a modern kitchen, with technical installations including hot water supply. The home has four bedrooms and two bathrooms. Three bedrooms come standard with air conditioning, with the option to extend this to the fourth bedroom and the living room.

The walls are smoothly plastered and painted, and the floors are finished throughout. The ground floor has a cement screed in a modern grey tone, while the upper floor has ceramic tiles. The storage room has a finished concrete floor.

Outside, the garden is leveled and fully enclosed, with a traditional Bonairean wall at the front and natural fencing along the sides. The property has an indoor area of 145 m² on a 576 m² plot.

Technical specifications

- Construction method: solid prefab aerated concrete structure, suited to the Caribbean climate; extensions such as storage and carport/garage in concrete block.
- Roofing: pitched roofs with durable corrugated sheets in roof-tile profile (anthracite grey) and flat roofs with high-quality roofing.
- Floors: cement screed in a modern grey tone on the ground floor, ceramic tiles on the upper floor, and a finished concrete floor in the storage room.
- Facades: smoothly plastered and painted in carefully selected natural colors, harmonizing with the Bonairean surroundings.
- Frames and doors: aluminum profiles, powder-coated in grey tones, fitted with sun-reflective glass and insect screens on tilt-and-turn windows.
- Garden and fencing: garden leveled and fully enclosed with a traditional Bonairean wall at the front and natural fencing along the sides.
