Description

Seru Blenchi, a new development by [Roosdom Tjhuis Bonaire](#), where rural charm, modern comfort, and the rich history of Bonaire come together. Nestled in a gently rolling, green, and historic setting, Seru Blenchi offers a serene living environment that perfectly reflects the island's peaceful and unspoiled character. A good life, beautifully local. Next to that fact, it will also give you the opportunity to invest in vacation real estate on the hill in a later stadium. Seru Blenchi is located right next to the highly sought-after neighborhoods of Bona Bista and Pure36.

The homes are being built in phases, using high-quality local and European materials, carefully selected for the Caribbean climate. Each residence has been passionately and proudly designed by [EVE architects](#).

Home number 58 is a modern detached home offering generous living space. The property offers three comfortable bedrooms and 2.5 contemporary bathrooms. The property is perfect suitable for families or hosting visiting relatives and friends. All bedrooms come standard with air conditioning, with the option to install air conditioning in the living room as well for additional comfort. You also have the opportunity to choose materials and finishes, three interior concepts have been created: Beach look, Long Island Wood look and Cosmopolitan look. Additionally, all optional upgrades are available, such as a carport, external storage room, or swimming pool, allowing the home to be fully customized to your preferences.

The home is delivered complete with a modern kitchen, stylish bathrooms, technical installations including hot water supply, WEB certification (water/electricity), and fully finished floors and walls. Inside, the walls are smoothly plastered and painted, so you can move in right away.

The garden is leveled and fully fenced, leaving plenty of room for you to shape the landscaping to your own taste and style. Optionally, a complete furnishing package is available through Wire Interiors Bonaire for a full turnkey experience. Curious about this package? Have a first look at the [online mood board](#).

Layout

Inside, the home offers generous living space with a modern kitchen. The living room can optionally be fitted with air conditioning. The home is delivered with finished floors and walls, smoothly plastered and painted walls, technical installations including hot water supply, and a modern kitchen.

There are three bedrooms, each with air conditioning, together with contemporary bathrooms. The bedrooms and bathrooms are completed as part of the home, with the choice of the Beach look, Long Island Wood look, or Cosmopolitan look for the interior concept.

Outside, the leveled garden is fully enclosed, with a traditional Bonairean wall at the front and natural fencing along the sides. There is room to shape the landscaping to your own taste. Optional additions include a carport, external storage room, and swimming pool.

Technical specifications

- Construction method: solid prefab aerated concrete structure, suited to the Caribbean climate; extensions such as storage and carport/garage in concrete block.
- Roofing: pitched roofs with durable corrugated sheets in roof-tile profile (anthracite grey) and flat roofs with high-quality roofing.
- Floors: cement screed in a modern grey tone on the ground floor, ceramic tiles on the upper floor, and a finished concrete floor in the storage room.
- Facades: smoothly plastered and painted in carefully selected natural colors, harmonizing with the Bonairean surroundings.
- Frames and doors: aluminum profiles, powder-coated in grey tones, fitted with sun-reflective glass and insect screens on tilt-and-turn windows.
- Interior concept: choice of three concepts: Beach look, Long Island Wood look and Cosmopolitan look.
- Garden and fencing: garden leveled and fully enclosed with a traditional Bonairean wall at the front and natural fencing along the sides.
