Description

Description

Spacious and well-maintained detached home located in the villa neighborhood of La Palma offering comfort, privacy, and an excellent location. With three bedrooms and two bathrooms, this property is ideal for families, couples, or expats looking for a pleasant place to live.

The home is equipped with solar panels and four battery systems (20Kw), resulting in significant savings on energy costs. All bedrooms feature air conditioning, and in addition, the bedrooms, kitchen, and living room are fitted with ceiling fans for extra comfort.

Outside, you will find a lovely private swimming pool that automatically refills, as well as a fully automated drip irrigation system for the garden. The property includes a private driveway and offers a high level of privacy.

The modern kitchen is fully equipped and includes a dishwasher, cooker, refrigerator, and oven, making everyday living especially convenient.

Accessibility is excellent: just 10 minutes from both the Caribbean Sea and the center of Kralendijk.

In short, a comfortable and energy-efficient rental home in a prime location on Bonaire.
