Features

Discover this exclusive and spacious villa, part of the second luxurious phase of the prestigious Delfins Beach Resort. Villa 17 features an elegant design with natural materials and warm earthy tones, creating a sense of tranquility, comfort, and luxury that harmonizes perfectly with the tropical surroundings. The sandy beach and pool are approximately 150 meters away. The resort is renowned for its stylish appearance, private beach, and lush tropical landscaping with palm trees and exotic plants. The thoughtful design allows the cooling trade winds to flow freely throughout the villa. All shuttered windows are equipped with mosquito screens for a comfortable indoor climate. Villa 17 offers four spacious bedrooms, accommodating families or groups of up to eight people, with air conditioning in both the bedrooms and living areas. Solar panels on the roof provide environmentally friendly energy. The carport offers space for a family car, and the large storage room is ideal for personal belongings. The villa is part of the resort's rental pool, where costs and revenues are shared among participating owners. Private use is unlimited; during personal stays, the owner simply does not share in the costs or income. A unique opportunity for those seeking luxury, comfort, and return on investment in a highly desirable Bonaire location!

The Resort

'Luxury Defined by Nature' is the motto of Delfins Beach Resort. A luxurious appearance, a sandy beach with an unprecedented number of tropical plants and palm trees, two restaurants, a beach bar, recreational swimming pool, fitness centre, 25-meter (sports) swimming pool, diving school and the Caribbean sea on your doorstep make that this resort has everything you wish to have during your holiday. The resort is located on only a ten minute drive to the city center of Kralendijk and 5 minutes to Flamingo Airport.

*Annual resort fee; US\$ 4000 including phone/internet connection and usage of Delfins Beach Resort. There is no further Home Owners Association in place. The parcels will be encumbered with easements and rental brokerage agreement are available on request.
