Features

J.A. Abraham Boulevard 70, better known as Kas Playa, is an impressive villa with a private infinity pool, private gym, panoramic views of the azure Caribbean Sea. A 30-meter sandy beach right at your doorstep! This unique villa offers the opportunity to live here or rent it out as a vacation villa. It's the perfect chance for families or groups of friends to enjoy everything this villa has to offer. From lounging around the pool with your own music playing on the HEOS sound system to preparing or having delicious meals made in the Bulthaup kitchen, featuring only Miele and Gaggenau appliances. The villa has been designed with attention to detail, perfectly tuned to the tropical climate of Bonaire.

The stunning, high glass wall at the rear connects the house with the spacious covered porch at the back.

The villa has five bedrooms, four of which overlook the sea. Additionally, each bedroom has its own en-suite bathroom. As a cherry on top, the villa also features a double garage. When you're away from the island, your cars will be safe and shaded.

- 5 bedrooms with private bathrooms,
- 30 meter wide beach,
- Private gym (can be 6th bed/bath),
- HEOS music system,
- Luxurious interior,
- Infinity pool,
- Bulthaup kitchen with Miele and Gaggenau appliances,
- Panoramic view of the Caribbean Sea from almost every room,
- Rinse tank and storage for diving equipment,
- Double garage,
- Only a 10-minute walk to Kralendijk.

Lay out

Entrance through the front door, dining room with access to living room, kitchen, garage, guest toilet and three bedrooms with bathrooms. The garden is accessible from the bedrooms, kitchen and living room and offers access to a covered terrace, pool and sitting area, followed by the beach. Second floor can be reached by the stairs near the dining room, hallway with access to the gym, loft, outdoor terrace and two bedrooms with bathrooms.

Technical specifications

- 220 Volts,
- Ajax security system,
- Aquabright magnesium pool with double pump and automatic refill at low water level
- Pooldeck of Ipe Fas quality 1
- Bulthaup designer kitchen with a Cooker and Cooker cube,
- Mitsubishi climate system with ceiling diffusers. Both inlet and outlet so windows and doors do not have to open for circulation,
- Fibaro computer system for automatic lighting inside and around the house,
- Solarsolutions: 190 solar panels JA Solar / Solaredge with real-time app for insight,
- 80 kWh battery system ensuring surplus solar power is saved and can be used during the night,
- Design furniture by Marcel Wanders, Piet Boon and many other top designers.

Living area is based on net indoor space plus covered outdoor space.
