Features

Situated on a green hill in the popular and child-friendly residential area of Santa Barbara, you will find this spacious building lot of 785 m². Santa Barbara is known for its central location on the island, its peaceful and pleasant atmosphere, the beautiful green surroundings, and breathtaking views. Thanks to its favorable position on the left side of Kaya Aleksandrit, the lot offers an extra stunning view of the Caribbean Sea and Klein Bonaire. Shops, supermarkets, and cozy restaurants are just 10 minutes away.

The building possibilities are endless. Whether you dream of a lush garden, a large terrace, or a modern architectural design, this lot offers plenty of space to bring your vision to life. If you want to start building immediately, that is possible, as a building permission has already been issued, making this lot a significant advantage.
