Features

Located in the residential area of Nikiboko and on the well-known road Kaya Nieuw Amsterdam, you will find this spacious building plot.

Given the current zoning plan (Residential area I), this location offers an excellent opportunity for investors or individuals looking for a piece of land to build their dream home or as a future investment. You are allowed to build several buildings on this plot. A plot of at least 350 m² is required for each house. In the case of constructing an apartment building, a minimum plot size of 220 m² per apartment is required.

- building plot in the desirable residential area Nikiboko,
- build your own dream house or more than one apartment,
- accessibility only 10 minutes to the center of Kralendijk,
- located on an unpaved road.

Technical specifications

- Possibility for WEB (water and electricity) connection at road side.
