Features

Centrally located, within walking distance of the center of Kralendijk you will find this building consisting of 11 apartments. Restaurants, diving schools and supermarkets are located nearby. The apartments offer a variety of possibilities: permanent residence, long-term rental and/or holiday rental, also office spaces are permitted. 9 apartments have their own entrance from the mainstreet where the covered terraces of these apartments are situated. Each apartment has its own access to the shared courtyard with swimming pool. The shared courtyard is a quiet oasis: a perfect place to enjoy at any time of the day! The adjacent roof terrace is a nice addition that offers a view over this part of Kralendijk.

This location also has a lot of potential for developing and construction of new buildings. A building plan has already been made for 2-story houses with a roof. This plan consists of 7 apartments with a communal swimming pool. Drawings are available on request.

- 11 apartments consist of a bedroom with open kitchen and bathroom,
- Good rental options for the short and/or long term,
- Located in the residential area of Playa Pariba where (vacation) rental & commercial activities go side by side.
- 3 minutes by car to the center of Kralendijk and supermarkets,
- Within walking distance of the Caribbean Sea and town,
- Communal swimming pool,
- Communal garden with a mix of plants, trees & white gravel stones,
- Location offers potential for developing and construction of new buildings.

Technical specifications

- Windows and doors; aluminum frames with sliding windows and wooden doors,
- Roof construction; wooden roof construction fitted with roof plates (possibly containing asbestos),
- Sanitary; bathrooms with a toilet, sink and shower,
- Floors; concrete and terracotta floor tiles,
- Garden and fencing; landscaped garden with various palm trees supplemented with white crushed stones.
