Features

This exceptionally beautiful plot is located in the Round Hill District, in a quiet and highly sought-after residential area where only a handful of homes will be developed. The plot is accessible via the public road (Welfare Road) and a well-maintained paved road (Road to Upper Round Hill) that leads to the foot of the Quill volcano.

The directly adjacent plots 31/1992 and 33/1992 are also available for sale and offer a unique opportunity to build your dream villa, ensure your privacy, make a valuable investment, or further develop the property. The location offers stunning views of the Quill volcano, the Atlantic Ocean, and the Boven National Park.
