Features

A true gem among the 105 building plots within the exclusive new construction project Vista Royal Village, you will find this spacious inner-ring plot. Vista Royal Village is located along the road to Lac and forms a modern, high-quality residential area specifically designed for families. The neighborhood features well-maintained, paved, and illuminated roads and is part of the popular and child-friendly neighborhood of Nikiboko. Thanks to its central and convenient location, shops, supermarkets, and restaurants are just a short distance away, ensuring optimal living comfort without sacrificing peace and space.

This plot offers ample opportunities to create your ideal home in an inviting and luxurious setting. With an area of 733?m², there is more than enough space to design your dream house, complete with a tropical garden or a generous outdoor area where you can relax and enjoy Bonaire's sunny climate.

An additional advantage is that a building permit is already available for a modern design by Gino Obersi Architecture. This permit covers a stylish single-story home with a practical and contemporary layout, including multiple bedrooms, a spacious living room with an open kitchen, and direct access to a large terrace. Of course, the plot also allows the freedom to realize your own design, fully tailored to your personal preferences and taste. The building guidelines ensure that the character of the neighborhood is preserved, providing security for the value of your investment.
