Description

Casa Lirio Azul is set among tropical greenery in the quiet Sabadeco Crown Shores neighborhood, with a private pool, sun terrace and shaded porch for outdoor dining. From the garden, a shared footpath leads to the Caribbean Sea approximately 150 meters away, giving the villa a peaceful setting close to the coast rather than directly on the waterfront.

Current rental information lists accommodation for up to eight guests across four bedrooms and four-and-a-half bathrooms. French doors connect the living area to the terrace, and the kitchen is equipped for meals at home. A separate gazebo adds another sheltered outdoor space. Privacy, tropical gardens and access to nearby coastal scenery define the stay.

Layout

The living room has a sitting area and dining area, and large French doors open onto the terrace. The fully equipped kitchen includes a dishwasher, coffee maker and water kettle.

The villa has 4 bedrooms and 4 bathrooms, plus 1 half bathroom. The bedrooms have air conditioning, ceiling fans and screens. A separate laundry room includes a washing machine.

Outside, the covered terrace has a large dining table, and the covered porch and gazebo offer places to sit. The private swimming pool has a spacious pool deck with lounge beds. A path from the backyard leads to the ocean within a couple of minutes, with access to the water by ladder.
