Description

Kas Playa combines direct access to the Caribbean Sea with the space and privacy of a standalone villa. A sandy beach of approximately 30 metres, a 15-metre infinity pool and the adjoining sundeck sit right beside the villa, making outdoor living part of the day from the moment you step outside.

The villa accommodates up to ten guests across five bedrooms and five bathrooms. Open-plan living areas connect naturally with the outdoor spaces, so cooking, dining and relaxing can move easily between inside and out. A private fitness room is also available for guests who want to stay active during their holiday.

For divers and snorkellers, the location is especially convenient: the sea is directly in front of the villa, and facilities are available for storing and rinsing dive gear. The terrace and pool area offer plenty of room for lounging, all with changing views across the water throughout the day.

Kralendijk is close enough to reach on foot. The town centre is about a ten-minute walk away, giving easy access to restaurants and shops while the villa itself retains a quiet and private setting.

Layout

Inside, the fully equipped kitchen is part of a villa that accommodates up to 10 guests across five bedrooms. Each bedroom has a private bathroom and air conditioning, and floor-to-ceiling windows bring sea views into virtually every room. A private gym is located on the top floor.

Outside, the villa has direct sea access from a 30-meter-wide sandy beach, with a 15-meter infinity pool and a sundeck. Sun loungers sit in the water, and a BBQ is available for meals outdoors.
